Media Console

GDS25G5-1491KN

A blend of styles produce perfect results.

Shaker-chic is the best way to describe this unique pairing of styles. The clean lines of the shaker style construction are complemented by the dark brown finish of the traditional cabinetry, sporting tinted glass shades in order to keep a little mystery hidden behind its cabinet doors. At its core is a vibrant electric firebox featuring hand-finished logs, 3D flame and floating display technology.
