

Markus Fireplace Package

This mantel piece is characterized by a monolithic appearance, with multiple storage areas hidden behind textured layered fronts. The dazzling 50" panoramic firebox with 3D flame effect creates the illusion of a true fire, and its tumbled glass ember bed are colored and silvered on one side for an alluring effect. Enjoy year-round enjoyment of a fireplace that is safe to the touch.

120 Volts / 1,230 Watts / 4,198 BTU

Features

- Flame**
A blend of technology, artistry and craftsmanship – the patented Dimplex LED flame technology creates the illusion of a true fire.
- Color Themes**
Choose from brilliant color themes or cycle through a range of colors using the prism mode, freezing on the hue of your choice.
- Supplemental Heat**
Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
- Safe**
Front glass stays cool to the touch.
- Media Bed**
Diamond-like acrylic ice ember bed chunks sparkle with the reflected light.
- Multi-function Remote**
Control 100% of the fireplace features from the comfort of your chair.
- Floating LED Display**
View temperature settings and specialty functions such as sleep timer and color themes.
- Cord Management**
Includes an integrated cord management system that allows you to organize and conceal all the electrical cords for a clean, cable-free look.
- Fully Assembled**
No assembly required. Just plug in and enjoy.
- Year-round Enjoyment**
Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- Economical**
Economical to operate. Costing only pennies per hour.*
- Green**
The green alternative. No harmful particulates or emissions and 100% efficient.
- Instant Ambiance**
Plugs into any standard household outlet.
