

It's not gas.
It's better.

Opti-myst® II Insert

The Opti-myst® II Insert is designed to fit into unused steel or masonry fireplace openings, instantly bringing them back life.

Revolutionary ultrasonic technology is used to create the flame and smoke effect of the Dimplex Opti-myst®. As the mist rises up through the logs, the light reflects against the water molecules creating a convincing illusion of flames and smoke. The result is an appearance so authentic it will be mistaken for a traditional wood-burning fireplace.

120 Volt

DLGM29

Features

-  **Flame**
Revolutionary ultrasonic technology produces a fine mist to create the illusion of flames and smoke.
-  **Inner Glow Logs**
Pulsating embers glow from within the realistic, hand crafted logs.
-  **Glowing Ashes**
A natural arrangement of glowing ashes creates an authentic feel.
-  **Metal Log Grate**
Traditional metal log grate enhances the fireplace look while cradling the hand-crafted logs.
-  **Remote**
Includes a convenient remote control for ease of use at your fingertips.
-  **Economical**
Economical to operate. Costing only pennies per hour.*
-  **Green**
The green alternative. No harmful particulates or emissions and 100% efficient.
-  **Instant Ambiance**
Plugs into any standard household outlet.
-  **Quick Assembly**
Sets up in minutes with step-by-step assembly instructions allowing you more time to enjoy your fireplace.
-  **Easy Fill Water Tank**
Offers 12-14 hours of continuous operation before refilling.

Note: this unit does not include a heater.
