

LENNOX

The XP16 has multiple stages for all kinds of weather, so it's

PERFECT FOR ANY CLIMATE

ELITE[®]
SERIES

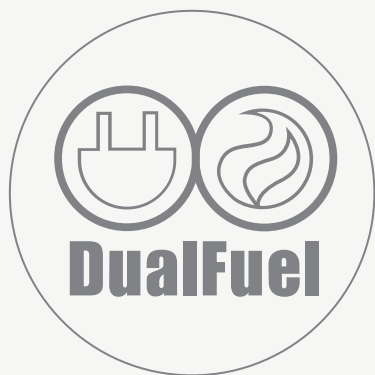

XP16

MULTI-STAGE
HEAT PUMP

Energy-saving and efficient performance all year long

CONTINUOUS COMFORT

The XP16 operates at a lower speed most of the time for maximum comfort and energy savings. During periods of extremely hot weather, it ramps up to a higher speed to increase cooling power.

COMFORT INNOVATIONS

MULTI-STAGE OPERATION

Responding to changing conditions, the XP16 adjusts to maximize energy savings—operating at lower speed most of the time, and ramping up during periods of increased heating or cooling demand. This multi-stage operation also translates to enhanced humidity control.

HUMIDITROL®-COMPATIBLE

The Humiditrol® whole-home dehumidification system is designed for use with Lennox® cooling equipment. It improves air quality and overall comfort by removing excess humidity from your home.

DUAL-FUEL-COMPATIBLE

When the XP16 is installed with a compatible Lennox furnace, it creates a heating system that can switch back and forth between electricity and gas automatically, based on whichever is most cost-efficient for the weather conditions at the time.

ENERGY SMART

With efficiencies of up to 17.00 SEER and 9.50 HSPF*, the XP16 can help save you hundreds of dollars per year in energy bills, compared to an older heat pump.

EFFICIENCIES
OF UP TO

17.00
SEER AND
9.50 HSPF

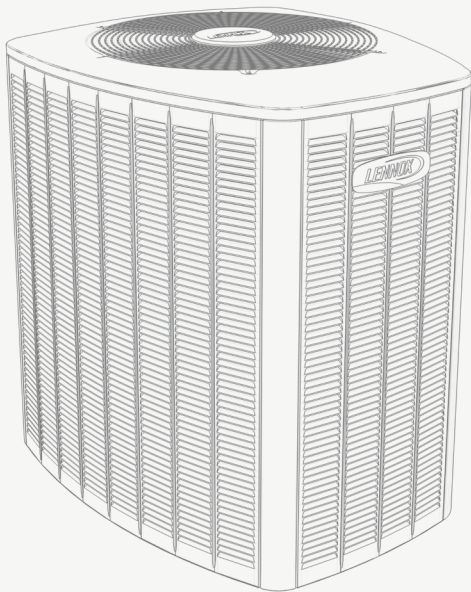

The XP16 has earned the ENERGY STAR® certification, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

PERFECTLY QUIET

As quiet as it is efficient, the XP16 keeps operating sounds at a comfortable level.

70 DECIBELS **VS** VACUUM CLEANER 78 DECIBELS

DURABLE DESIGN

Lab tested to ensure it can perform in the harshest conditions, the XP16 is designed to keep you comfortable for years to come.

10 YEAR

WARRANTY

COMPRESSOR

10 YEAR
LIMITED
WARRANTY

WITH PRODUCT
REGISTRATION

PEACE-OF-MIND PROTECTION

The XP16 comes with a 10-year limited warranty on the compressor and a 5-year limited warranty on all remaining covered components.**

*The cooling efficiency rating for heat pumps is Seasonal Energy Efficiency Ratio, or SEER. The heating rating is Heating Seasonal Performance Factor, or HSPF. The higher the SEER and HSPF, the better the energy performance, and the more you save.

**Covered components may be eligible to receive a 10-year warranty. Online equipment registration at lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

Innovation never felt so good.®

PRACTICAL INNOVATION

Built to deliver efficient and reliable comfort, every day of the year

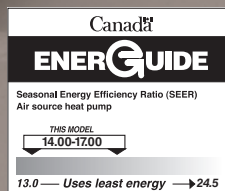

BUILD AN ELITE® SYSTEM

On its own, the XP16 provides perfectly comfortable and efficient cooling and heating for your home. Use it in conjunction with other Elite Series components, and you've got a home comfort system that's a cut above the rest. Impressive features. Stunning capabilities. Outstanding efficiency. That's Elite.

FINANCING YOUR COMFORT

Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.*

*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
