

Side Mount - Low Loss Header Kit for the Q85S / Q130S

The side mount kit features:

- Mounts the low loss header plumbing kit (which is included with all Rinnai boilers) on the left side of the boiler
- Reduces overall installation height
- Kit part number for Q85S / Q130S boilers: 804000072

The side mount kit is designed and intended for use only on the left side of the boiler.
