WHAT WE ARE ALL ABOUT

Napoleon is proud to announce the Keenan Collection. In keeping with our core values of artisanship and craftsmanship, each mantel starts with the selection of premium grade lumber, which is hand crafted and custom finished into a furniture grade focal point of your home. The Keenan Collection consists of six mantels and seven shelves.

A popular mix of pre-selected colors and finishes to suit any home decor, or if a custom finish is preferred, we offer all designs in unfinished maple for personalized choice.

The Keenan Collection have been designed to fit Napoleon Ascent™ 30, 35, 36, X 36, 42 and X 70 fireplaces.

THE COLLECTION

FULL CABINET MANTEL

A grand presence, the full cabinet offers enough depth to allow for standard mantel installation of the fireplace.

FLUSH CABINET MANTEL

A space-saving solution designed for flush mounted applications.

MANTEL SHELF

A classic look for accenting your fireplace, a mantel shelf mounted above a flush installation offers a focal point for keep sakes or a flat screen TV.

DYNASTY™

A long history near your hearth

Relax in front of your hearth, while keeping the focus on your keepsakes and the home warming fireplace with the Dynasty™ mantel. The classic ornamental top shelf combined with the complementary yet simple design on the columns, allows the fireplace and the top shelf to remain the focal points.

MARQUESS™

Rich with nobility

The Marquess™ is rich in details including the ornate top shelf and the moulding details encased in the columns and beam. Beautifully handcrafted with accent points that will truly create a focal point and when combined with the modern conveniences of a gas fireplace will inspire many warm nights.

EMPIRE™

Majestic presence

The Empire™ mantel offers a bold statement with clean and simple design elements that allow the beauty of the fireplace to glow. The solid mantel top design presents a simple appearance that sends focus to your mementos and feature items displayed on the shelf.

IMPERIAL™

A regal stance

Simplistic yet regal, the Imperial™ mantel stands boldly around the fireplace with strong columns and a prominent base. The Imperial™ frames the fireplace with strong elements and a subtle yet bold design.

PRINCESS™

Classic elegance

The Princess™ mantel offers a classic look with dentil moulding across the top shelf and detailed moulding surrounding the fireplace. Our most popular design, the Princess™ is well suited for a wide variety of home interior styles.

BONAPARTE™

Enduring elements

The ornate top shelf features a recessed bottom providing a dramatic shadow that visually lifts the top shelf for an appealing accent. The fluted columns offer a timeless element that accentuates the height of the mantel and firebox.
