Reveal

B-Vent Gas Fireplace

Recreate the timelessness of a wood-burning fire with the open-hearth Reveal gas fireplace. Full, generous flames rise through a detailed log set, while a 3-layered burner adds intensity and depth. A clean face finish and textured brick interiors provide traditional masonry style. Make it your own and anchor your space with distinct finishing options.

Above and on cover: Reveal shown with bi-fold doors, steel gray marble and Roxborough mantel
