PALAZZO OUTDOOR GAS FIREPLACE

The Palazzo is a new kind of outdoor fireplace. This innovative fire feature resists the harshest elements with tough marine grade stainless steel. Advanced safety technologies are seamlessly integrated. The Palazzo Power Screen provides protection at the press of a button. Combined, these features create a contemporary focal point that will maintain its luster and add value to your home for years to come.

- The industry-first Power Screen ensures safety, moving up and down at the press of a button to protect and prevent debris from entering the fireplace
- Multicolored LED lights shine through the crushed glass firebed and can even be used when the fireplace is off
- Stainless steel interior reflects and magnifies flames
- Rust-resistant, marine grade stainless steel construction maintains its luster for years to come
- IntelliFire™ Ignition System with wall control constantly monitors ignition and ensures safe functioning
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- 48" wide fireplace adds enjoyment to your space
- Available in a single-sided or see-through model
