## VENTED CHASE OPTION

When installing a TV above the fireplace, Cool Touch Walls, or reduced Mantel Clearances, the chase of the fireplace must be vented. This can be done by either installing a grill on the front of chase or side grills (for a chase that bumps out in to a room) or be open at the top of the chase. (See illustrations and manual for further information).

Minimum enclosure height for a vented chase is 70" from bottom of fireplace, ventilation of a 105 in<sup>2</sup> of minimum free air opening is required. Choose between our V46EG Enclosure Grill or Custom Grill (if custom grills are used the louvers cannot slope) or adequate ventilation opening as stated in the manual. Grill or opening must be within 2" of chase top/ceiling.

**NOTE:** To vent the fireplace chase, removal of vent shields from the fireplace is required.

Framing to ceiling with open front 2-1/4" x 47"

Open chase framing with enclosure min 1-1/4" below ceiling

Framing to ceiling with vents at front and back

Framing to ceiling with front or side vents

Framing to ceiling, minimum enclosure with front or side vents

Minimum enclosure with front or side vents

Minimum enclosure with front and back vents

# BENTLEY ST

ZERO CLEARANCE DIRECT VENT SEE-THROUGH GAS FIREPLACE

Unit Illustrated: Model MCVST42NH See-Through Fireplace – Natural Gas, M42LG Log Grate, MQ42LOG2 Oak Log Set, MST42RLT Traditional Brick Liner, MQ42DD2BL Designer Door Series 2.

# TWO SIDES TO THIS STORY

With an expansive glass viewing area and clever designer options, we thought the **Bentley** was pure designer perfection.

Then we introduced the see-through **BENTLEY ST** which means you get the same view ... twice! Being able to enjoy the beauty and warmth from both sides means we've doubled the reasons to love the Bentley ST.

OUTDOOR LIVING

# AURORA

## ZERO CLEARANCE OUTDOOR GAS FIREPLACE

**Unit Illustrated:** Model OFP42NS Outdoor Fireplace in Stainless Steel – Natural Gas, MQROCK3 Multi-colored – Contemporary Rock Set, MQG5W White Glass decorates the bottom of the fireplace.

# LIGHT UP YOUR NIGHTS

Nights will never be the same with the new

**AURORA.** Designed for your outdoor oasis,

this fireplace captures your attention with

its Satin Coat Black or Stainless Steel Finish

and your choice of a contemporary rock

collection or log set. Looks like the stars

in the sky now have a little competition.

## STANDARD FEATURES

- Hi/lo Millivolt valve with variable adjustment of flame and BTU
- A flame sensor that constantly monitors the pilot flame and provides 100% gas shut off if pilot is not sensed
- Stainless steel pull screen
- Lava rock

## OPTIONAL FEATURES

**Surround:** Stainless steel

**Refractory Liner:** Traditional and Herringbone

**Decorative Glass:** Decorative Ember Glass  
(Glacier Ice, Cobalt Blue, Black, Bronze, White)

**Spark Assist:** Battery operated pilot burner ignitor

**Weather Cover:** Stainless steel or black

**Remote Control:** On/Off

## SCREENED PORCH INSTALLATION GUIDELINES

- Porch Area - 96 sq. ft.
- Ceiling Height - 92"
- A minimum of two walls can be screened but must be open to outside ventilation:  
Top of screen height – 78"  
Screen Area – 64 sq. ft

*Refer to installation manual for additional details of framing specifications and clearances.*

## LIMITED LIFETIME WARRANTY

This Limited Lifetime Warranty applies only while the unit remains at the site of the original installation and only if the unit is installed inside the continental United States, Alaska, Hawaii, and Canada. The warranty applies only if the unit is installed and operated in accordance with the printed instructions and in compliance with applicable installation and building codes and good trade practices.

## BASIC ONE YEAR WARRANTY

During the first year after installation, we will provide a replacement for any component part of your unit found to be defective in materials or workmanship, including labour costs. Repair work requires prior approval by Kingsman, labour costs are based on a predetermined rate schedule and any repair work must be done through an authorized Kingsman dealer. (Excluded Components: Accent Light Bulbs, Gasketing and Paint.)

## LIMITED LIFETIME WARRANTY

The heat exchanger, combustion chamber and burner of every Kingsman product excluding the Outdoor Firepit are warranted against materials or workmanship during the period the product is owned by the original owner. The part to be replaced must be returned to our distributor in exchange for the replacement part. Any labor, material, freight and/or handling charges associated with any repair or replacement pursuant to this Limited Lifetime Warranty will not be covered by this warranty.

## GENERAL TERMS

In lieu of providing a replacement part, we may, at our option, provide the distributor's component purchase price from us or a credit equal to the distributor's component purchase price from us toward the purchase of any new unit which we distribute. If a credit is given in lieu of a replacement part, the rating plate from the unit being replaced must be submitted on a warranty claim, and the unit being replaced must be made available to our distributor for disposition.

In establishing the date of installation for any purpose, including determination of the starting date for the term of this Limited Lifetime Warranty, reasonable proof of the original installation date must be presented\*, otherwise the effective date will be based upon the date of manufacture plus thirty (30) days. We will not be responsible for and you, the user, will pay for: (a) damages caused by accident, abuse, negligence, misuse, riot, fire, flood, or Acts of God (b) damages caused by operating the unit where there is a corrosive atmosphere containing chlorine, fluorine, or any other damaging chemicals (other than in a normal residential environment) (c) damages caused by any unauthorized alteration or repair of the unit affecting its stability or performance (d) damages caused by improper matching or application of the unit or the unit's components (e) damages caused by failing to provide proper maintenance and service to the unit (f) any expenses incurred for erecting, disconnecting or dismantling the unit (g) parts or supplies used in connection with service or maintenance (h) damage repairs, inoperation or inefficiency resulting from faulty installation or application (i) electricity or fuel costs or any increase in electricity or fuel cost whatsoever including additional or unusual use of supplemental electric heat.

We shall not be liable for any incidental, consequential, or special damages or expenses in connection with any use or failure of this unit. We have not made and do not make any representation or warranty of fitness for a particular use or purpose, and there is no implied condition of fitness for a particular use or purpose. We make no express warranties except as stated in this Limited Lifetime Warranty. No one is authorized to change this Limited Lifetime Warranty or to create for us any other obligation or liability in connections with this unit. Any implied warranties shall last for one year after the original installation. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages or do not allow limitations on how long an implied warranty or condition lasts, so the above limitations or exclusions may not apply to you. The provisions of this limited warranty are in additions to and not a modification of or subtraction from any statutory warranties and other rights and remedies provided by law.

**Unit Illustrated:** VRB46N Zero Clearance Direct Vent Gas Fireplace – Natural Gas, ZRB46SISS Surround (Frame) Stainless Steel, RBCB1 Cannonballs x 14, ZRB46PL Porcelain Liners.

Marquis Fireplaces maintains a program of continuous testing, refinement and improvements of all its products. Some aspect of units shown here may be changed at any time without notice or obligation.
