

WOODLAND

NEFI18H | NEFI24H | NEFI27H | Electric log sets

Transform your space with the eco-friendly Woodland™ electric log set, an easy plug-and-play solution that revitalizes old masonry fireplaces. This electric fireplace features high-intensity, low-energy LED lights that mimic real flames, visible both day and night. The logs glow like a genuine wood fire, providing a cozy ambiance and a safer alternative for families, children and pets. Control flame height, intensity, and heat output effortlessly with the included remote. The Woodland™ electric log set is ready to use right out of the box or can be hardwired into your electrical system. Experience the charm of a wood fire without any hassle by installing the Woodland™ electric log set.
